Power Balance is a brand of hologram bracelets once claimed by its manufacturers and vendors to "use holographic technology" to "resonate with and respond to the natural energy field of the body", and increase sporting ability. Numerous independent studies of the device found it to be ineffective for enhancing athletic performance, and the manufacturer was forced to retract its claims in 2010.

Power Balance - Wikipedia

Magic is a category in Western culture into which since the Enlightenment have been placed various beliefs and practices considered separate from both religion and science. Historically, the term often had pejorative connotations, with things labelled magical perceived as being primitive, foreign, and Other. The concept has been adopted by scholars in the study of religion and the social ...
