AP Exam. The College Board intentionally schedules the AP Calculus AB exam at the same time as the AP Calculus BC exam in order to make it impossible for a student to take both tests in the same academic year, though the College Board does not make Calculus AB a pre-requisite class for Calculus BC.

The weekly courseload was heavy compared to some of my other classes, but the material was always engaging and enlightening. I really liked the way that Mrs. Smith set up the class so that we learned the

content several times through many different forms.
