Begin Your Career in Behavior Analysis. Use the science of behavior to improve the lives of individuals through applications in education, business, healthcare and many other focuses.

### **Applied Behavior Analysis | University of West Florida**

Behavior analysis is the science of behavior, with a history extending back to the early 20th century. Its underlying philosophy is behaviorism, which is based upon the premise that attempting to improve the human condition through behavior change (e.g., education, behavioral health treatment) will be most effective if behavior itself is the primary focus, rather than less tangible concepts ...
