articles on self reflexive pdf

Reflective practice is the ability to reflect on one's actions so as to engage in a process of continuous learning. According to one definition it involves "paying critical attention to the practical values and theories which inform everyday actions, by examining practice reflectively and reflexively.

Reflective practice - Wikipedia

In development or moral, political, and bioethical philosophy, autonomy is the capacity to make an informed, un-coerced decision. Autonomous organizations or institutions are independent or self-governing. Autonomy can also be defined from human resource perspective and it means a level of discretion granted to an employee in his or her work. In such cases, autonomy is known to bring some ...

In 1968, West Churchman wrote, "there is a good deal of turmoil about the manner in which our society is run. the citizen has begun to suspect that the people who make major decisions that affect our lives don't know what they are doing." [1] Churchman was writing at a time of growing concern about war, civil rights, and the environment.
