Although health is a major topic of U.S. policy debates, the focus has not been on health policy but rather on health care policy. The emphasis in such discussions on the organization and financing of health care is understandable given that health care consumes 17.6 percent of our gross domestic product, and projections are that it could constitute almost 20 percent within eight years. 1 This ...

What is First Author Writing Software? First Author is a writing software platform that helps students with complex instructional needs write independently on self-selected and curriculum-tied topics. It does so by guiding students through a three-step writing process: choosing a topic, selecting a picture prompt, and writing with the support of built-in accommodations.

Cycle 1. Immediate value: the activities and interactions between members have value in and of themselves
Cycle 2. Potential value: the activities and interactions of cycle 1 may not be realized immediately, but rather be saved up as knowledge capital whose value is in its potential to be realized later.
Cycle 3. Applied value: knowledge capital may or may not be put into use.
