Infanticide (or infant homicide) is the intentional killing of infants.. Parental infanticide researchers have found that mothers are far more likely than fathers to be the perpetrators of neonaticide and slightly more likely to commit infanticide in general.. Anthropologist Laila Williamson notes that "Infanticide has been practiced on every continent and by people on every level of cultural ...

Infanticide - Wikipedia

The most popular given names vary nationally, regionally, and culturally. Lists of widely used given names can consist of those most often bestowed upon infants born within the last year, thus reflecting the current naming trends, or else be composed of the personal names occurring most within the total population

List of most popular given names - Wikipedia

The Department of Agriculture oversees the state's horse racing programs and encourage the breeding, racing and ownership of quality horses in Illinois.
