This is a list of films considered "the best ever", so voted in a national or international survey of either critics or the public.. Some surveys focus on all films, while others focus on a particular genre or country. Voting systems differ from poll to poll: some surveys suffer from biases such as self-selection or skewed demographics, while others may be susceptible to forms of interference ...

The genre of horror has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.
