Birch Bark Legends Of Niagara eBook by Owahyah

Traditionally, birch bark was an essential part of the lives of Native American groups in Canada and the northern United States where it was used as a covering for wigwams, food preparation and storage, canoes, and other things. Literature suggests that the only way food could be stored for long periods of time was in birch bark containers.

manufacture of medicated soaps. Distillation of the bark yields Birch tar oil, an astringent ingredient of ointments for eczema and psoriasis. Native Americans boiled the bark to make poultices for minor wounds. An oil made by distilling the bark of the sweet birch was traditionally used for bladder infections, rheumatism, gout and nerve pain.
