### **Anti-intellectualism - Wikipedia**

Elitism is the belief or attitude that individuals who form an elite – a select group of people with a certain ancestry, intrinsic quality, high intellect, wealth, special skills, or experience – are more likely to be constructive to society as a whole, and therefore deserve influence or authority greater than that of others. In the United States, the term elitism often refers to the ...

–Go into any inner-city neighborhood, and folks will tell you that government alone can’t teach kids to learn. They know that parents have to parent, that children can’t achieve unless we raise their expectations and turn off the television sets and eradicate the slander that says a black youth with a book is acting white.–
