George Washington: The Founding Father (Eminent Lives

George Washington By the time Washington was born, February 22, 1732, his family had been established for more than three generations and nearly a century, as members of the Virginia elite, self-governing and practicing representative (though not democratic) rule in the English parliamentary tradition.

George Washington: The Founding Father - PDF Free Download

The Character of George Washington George Washington began at an early age to work to improve his character. At age 16 he copied out by hand "The Rules of Civility and Decent Behavior in Company and in Conversation." These rules of civility, totaling 110, are based upon a set composed by French Jesuits in 1595.
