Pennsylvania German (Deitsch, Pennsilfaanisch-Deitsch listen (help · info), Pennsilfaanisch; often called Pennsylvania Dutch) is a variety of West Central German spoken by the Old Order Amish, Old Order Mennonites and other descendants of German immigrants in the United States and Canada, closely related to the Palatine dialects. There are possibly more than 300,000 native speakers in the ...

Pennsylvania German language - Wikipedia

German orthography is the orthography used in writing the German language, which is largely phonemic. However, it shows many instances of spellings that are historic or analogous to other spellings rather than phonemic. The pronunciation of almost every word can be derived from its spelling once the spelling rules are known, but the opposite is not generally the case.

German employment law and termination of employment. Although an employment relationship is based on a civil law private contract between an employer and employee, a raft of statutory provisions under German employment law govern the protection to employees from the whims of their employers.

German employment law and termination - wbs-law.de

Business writing is a type of professional communication—such as memos, reports, and emails—used to communicate with internal or external audiences.

Definition, Tips, and Examples of Business Writing

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages in the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.
