The verbs set and sit 1 are similar in form and meaning but different in grammatical use. Set is chiefly transitive and takes an object: Set the dish on the shelf. Its past tense and past participle are also set: Yesterday he set three posts for the fence. The judge has set the date for the trial. Set also has some standard intransitive uses, as "to pass below the horizon" (The sun sets ...

Media bias is the bias or perceived bias of journalists and news producers within the mass media in the selection of events and stories that are reported and how they are covered. The term "media bias" implies a pervasive or widespread bias contravening the standards of journalism, rather than the perspective of an individual journalist or article. The direction and degree of media bias in ...
