completion of sequence, the newly formed group sits down together. Great game to break large group into smaller groups.

Icebreakers and Name Games

Websites for Middle School Students and Younger It seems like many of the educational sites around the web were created with either the elementary student or the college student in mind.

Websites for Middle School Students and Younger

The Great Learning represented a key aspect of the Chinese curriculum for nearly 1500 years and can be found in virtually all aspects of Chinese culture. The Great Learning within the Chinese curriculum acted as a "springboard" for further learning, "self cultivation and investigation of things." Through self-cultivation one

can bring order and harmony to one's mind, personal life, family, state and the world as a whole.

Great Learning - Wikipedia

GREAT TEACHERS AND GREAT LEADERS f all the work that occurs at every level of our education system, the interaction between teacher and student is the primary determinant of student success.

GREAT TEACHERS AND GREAT LEADERS O

One of the most obvious ways to increase your classroom charisma is to increase the amount of active learning in your class. Not only will you find it easier to keep students engaged during one of the most difficult times of the year (the warm weather days of spring), but you will find that your students will retain information with greater ease and with more success.
