Why choose a .global domain?. The world is ever more interconnected and boundaries are constantly  
dissolving and changing. Whether you are big brand, a small start-up or you wish to bring people together  
around an idea, no other domain communicates with such clarity your global aspirations.

Social anthropology is the dominant constituent of anthropology throughout the United Kingdom and  
Commonwealth and much of Europe (France in particular), where it is distinguished from cultural  
anthropology. In the United States, social anthropology is commonly subsumed within cultural anthropology  
(or under the relatively new designation of sociocultural anthropology).

Max Weber. The basic concept was primarily developed in the non-positivist theory of Max Weber to observe  
how human behaviors relate to cause and effect in the social realm. For Weber, sociology is the study of  
society and behavior and must therefore look at the heart of interaction.
