Harvard Business Review - Ideas and Advice for Leaders

business. Listening well. Leaders who take organizational conversation seriously know when to stop talking and start listening. Few behaviors enhance conversational intimacy as much as attending to what people say. True attentiveness signals respect for people of all ranks and roles, a sense of curiosity, and even a degree of humility.

Harvard Business Review has required databases to turn off direct linking to its articles. That means that if you need to find a certain article in Harvard Business Review, there is no way to just click a link and go directly to it. If you want to share the article with someone else, there is no way to give them a link to it - you can only tell them how to find it themselves.
