haunted paranormal 2 book pdf

In ghostlore, a haunted house or ghosthouse is a house or other building often perceived as being inhabited by disembodied spirits of the deceased who may have been former residents or were familiar with the property. Parapsychologists attribute haunting to the spirits of the dead and the effect of violent or tragic events in the building's past such as murder, accidental death, or suicide.

Haunted Bookshop #2 The Ghost and the Dead Deb Don't haunt the customers! This was the only rule that bookshop owner Penelope had given her resident ghost, hard-boiled private eye Jack Shepard. "Don't haunt the customers!" But when the hot young author Angel Stark arrives at the store to promote her latest "a book of true crime" Jack can hardly contain himself.
