Indian cuisine consists of a wide variety of regional and traditional cuisines native to the Indian subcontinent. Given the range of diversity in soil type, climate, culture, ethnic groups, and occupations, these cuisines vary substantially from each other and use locally available spices, herbs, vegetables, and fruits. Indian food is also heavily influenced by religion, in particular Hindu ...

I am SO thrilled that this was the first recipe you tried in your new oven – how awesome! And thanks for the tip about the olive oil. I haven't had any problems with the crust sticking after it cooks, but I do know that a lot of my readers add olive oil to the crust, because they love the flavor that way.
