hearings and arguments in pdf

The Court holds oral argument in about 70-80 cases each year. The arguments are an opportunity for the Justices to ask questions directly of the attorneys representing the parties to the case, and for the attorneys to highlight arguments that they view as particularly important.

Oral Arguments - Supreme Court of the United States

In law, a hearing is a proceeding before a court or other decision-making body or officer, such as a government agency or a Parliamentary committee.. A hearing is generally distinguished from a trial in that it is usually shorter and often less formal. In the course of litigation, hearings are conducted as oral arguments in support of motions, whether to resolve the case without further trial ...
