The editors of Policy and Politics in Nursing and Health Care have provided a rich, intellectually stimulating text that both informs and celebrates nursing engagement in policy and politics. Offering more than 100 distinct topics, the book should appeal to students as well as seasoned practitioners.

Policy and Politics in Nursing and Health Care | JAMA

Introduction. There are many ways to analyze health care politics and policy. Different disciplines and different groups within disciplines fight over the right way to approach public policy, all seeking to impose their own definitions of the subject and to patent their own methodology.

Health Care Politics and Policy - ncbi.nlm.nih.gov

Although the authors cover the expected topics—health care politics, policy, Medicare and Medicaid, safety nets, special populations, and health care spending—their focus on the political forces that really influence health care set the book apart. It is fresh, contemporary, powerful, and provocative.
