Heimat, Loss and Identity Flight and Expulsion in German

after 1945. I focus on the concept of Heimat which spans aesthetics and politics, psychological and political identity and emerges from a condition of loss, thus it features highly in my attempt to understand the development and current state of memorialisation. The centrality of the notion of Heimat in

exceeds the differences between cultures. So just knowing one person's cultural identity doesn't provide complete or reliable information about that person. Knowing another's cultural identity does, however, help you understand the opportunities and challenges that each individual in that culture had to deal with.
