Background. Load, released approximately five years after the commercially successful album Metallica, saw the band shifting toward hard rock and away from their thrash metal roots. As on previous releases, the album's fourteen songs began as rough demos created by principal songwriters James Hetfield and Lars Ulrich in Ulrich's basement recording studio, "The Dungeon".

Victorian photography has long been associated with empiricist science and realist aesthetics, but during the early years of its development it was also animated by Romantic ideals. As Reese Jenkins remarks, many of the "pioneers of photography. . . . were epistemological positivists and ontological Romantics" (20).
