By John Dougherty. The two state investigations into the deaths of 19 members of the Granite Mountain Hotshots released to the public in 2013 did not include the complete autopsy and toxicology reports of the men who were killed on June 30, 2013 in the Yarnell Hill Fire.

After years of delay, the Granite Mountain Hotshot autopsy

A sniper is a military/paramilitary marksman who operates to maintain effective visual contact with and engage enemy targets from concealed positions or at distances exceeding the target's detection capabilities. Snipers generally have specialized training and are equipped with high-precision rifles and high-magnification optics, and often feed information back to their units or command ...
