english Language arts Literacy in History/social studies

With respect to the external and internal perception of this relation, for instance in past editions of the EncyclopÃdia Britannica, Galician was defined as a Portuguese dialect spoken in northwestern Spain. However, most Galician speakers do not regard Galician as a variety of Portuguese, but as a different language, as modern Galician evolved without interruption and in situ from Latin, and ...

Language shift, also known as language transfer or language replacement or language assimilation, is the process whereby a community of speakers of a language shifts to speaking a completely different language, usually over an extended period of time. Often, languages that are perceived to be higher status stabilise or spread at the expense of other languages that are perceived by their own ...
