Racial restriction policy. Under the racial restrictions that lasted from the presidency of Brigham Young until 1978, persons with any black African ancestry could not hold the priesthood in the LDS Church and could not participate in most temple ordinances, including the endowment and celestial marriage. Black people were permitted to be members of the church, and to participate in some temple ...

Over the past two centuries, the relationship between black people and Mormonism has been tumultuous. While at least two black men held the priesthood in the early church, from the mid-1800s until 1978, The Church of Jesus Christ of Latter-day Saints (LDS Church) had a policy which prevented most men of black African descent from being ordained to the church's lay priesthood and barred black ...
