Managing and Sustaining a Culture of Innovation | Kellogg

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

John Seely Brown: Speaking

A flat organization (also known as horizontal organization) has an organizational structure with few or no levels of middle management between staff and executives. An organization's structure refers to the nature of the distribution of the units and positions within it, also to the nature of the relationships among those units and positions. Tall and flat organizations differ based on how ...
