ROTC at the University of Nevada, Reno teaches strength and leadership by providing students with the skills they need to become officers in the military.

ROTC | University of Nevada, Reno

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...
