

truths and half truths pdf

A half-truth is a deceptive statement that includes some element of truth. The statement might be partly true, the statement may be totally true but only part of the whole truth, or it may use some deceptive element, such as improper punctuation, or double meaning, especially if the intent is to deceive, evade, blame or misrepresent the truth.

Growing up, my home was a collection of other people's things. My parents bought plenty of things new, but many of the biggest items in our home didn't come from a store. My dad made some of our furniture "the dining table of my early childhood, some side tables, and the patio furniture out front" on his woodworking bench in the garage. Our couches?

Christianity considered as a slow, long-term injection of Jewish fiction into Europe, is new, at least to me: from this viewpoint, Christianity was a disaster, more or less comparable with modern-day effect of Jews as frauds, liars, and war-mongers, hating and trying to destroy Europe and whites. Bishops, Popes and so on more or less correspond to 'politically correct' collaborators of Jews.
