4 Understanding psychosis What is psychosis? Psychosis (also called a psychotic experience or psychotic episode) is when you perceive or interpret reality in a very different way from people

Understanding psychosis understanding - Mind

In social philosophy, objectification is the act of treating a person, or sometimes an animal, as an object or a thing. It is part of dehumanization, the act of disavowing the humanity of others. Sexual objectification, the act of treating a person as a mere object of sexual desire, is a subset of objectification, as is self-objectification, the objectification of one's self.
