A Message from the President, Maria Jaramillo. One of my husband's high school football coaches once said that, "Success happens when opportunity and preparation collide." I can attest to that the educators of New Mexico are well prepared. I have watched in awe as educational leaders have traveled across the state to come together to create an educational plan that will positively support all NM ...

In response to the early criticisms of the trait approach, theorists began to research leadership as a set of behaviors, evaluating the behavior of successful leaders, determining a behavior taxonomy, and identifying broad leadership styles. David McClelland, for example, posited that leadership takes a strong personality

with a well-developed positive ego.
