A wedding reception is a party usually held after the completion of a marriage ceremony as hospitality for those who have attended the wedding, hence the name reception: the couple receive society, in the form of family and friends, for the first time as a married couple. Hosts provide their choice of food and drink, although a wedding cake is popular. . Entertaining guests after a wedding ...

Photography is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film. It is employed in many fields of science, manufacturing (e.g., photolithography), and business, as well as its more direct uses for art ...
